

Volunteer Opportunity

Mobile Food Pantry Volunteer

Our Mobile pantry is a tool to be used by communities to contribute to, and take part in, to help with the needs in their area. We are building relationships with other people and organizations that schedule the mobile pantry into their neighborhood, and then we stand with them and support them in building the relationships with the people they are reaching out to. As we grow, we envision expanding our scope to include other marginalized sectors of the community: senior citizens in nursing homes, people with disabilities, and those that have problems with transportation.

The Need:

Hands and Manpower

The task of preparing for a mobile pantry drop takes approximately 36 man hours. We need people who will load the trailer, work the drop by doing the registration of people coming to shop, helping people shop, bagging groceries, taking groceries to peoples cars, and unloading the trailer.

Schedules vary, so please contact us for times.

If this is an area that you are interested in plugging into, please contact Matt Wahlgren at matt@freelunchtoledo.com . He is able to give you the detailed information for your questions and be able to schedule a time for you to come join the team!
