

Volunteer Opportunity

Saturday Morning Picnic

Saturday mornings, rain or shine, we meet up at the little park next to the Main Library in downtown Toledo (corner of Adams and Michigan) around 10:15 am.

We set up card tables, unpack the van and any other vehicles, and people start lining up to receive,(starting at 10:30 am): a brown bag lunch, fruit, snacks, drinks, and any other treats we might have on hand.

In fact, volunteers often bring something special - flowers, soup, cupcakes, candy... you name it!

We also distribute clothes and hygiene products in other areas of the park.

Another important thing that goes on is our street team that takes several boxes of lunches, some coolers of drinks, and occasionally some mac & cheese to the bus stops a couple of blocks away. This, too, happens every week no matter the weather!

This project is open to up to 25 volunteers and children's' participation is at the parents' discretion.
